

Navigate Finance Team

With Croner-i Navigate Finance Team, it's easier than ever for CFOs and Finance Directors like you to save time, increase efficiency and boost your business's growth.

Strengthen knowledge, improve reporting and ensure compliance

Start by accessing our single online portal to easily find the key laws, UK and IFRS accounting standards and crucial tax developments that keep your business up to date and compliant – all in a handful of clicks. All our resources are kept fully updated by our in-house experts giving you the confidence and reassurance that you and your team need.

- Focus on your financial reporting and save time with our UK GAAP and IFRS guidance, analysis, tools and standards
- Stay ahead of change with tax commentaries, news, tools and analysis
- Get specific guidance or a second opinion fast with unlimited tax and VAT advice calls

Your perfect package of support

Croner-i *Navigate Finance Team* comes in three different packages to suit the needs of your business.

'Essentials' includes all the key guidance, tools and source materials to manage a successful finance team with full UK GAAP accounting commentary, detailed practical Companies Act guidance and transaction-based tax modules.

'Plus' adds our flagship commentary service (*Direct Tax Reporter*) and Croner-i *Disclose* automated disclosure checklist software, as well as detailed guidance for company secretaries and directors across all areas of running a business. You also enjoy access to our tax consultancy services, including an enhanced tax and VAT advice line and an email advice service.

'Complete' brings you all 'Plus' features as well as IFRS guidance and standards, model accounts, our popular *Company Reporting* disclosure research service, corporate governance and internal audit coverage and specialist guidance on indirect tax, stamp duties, treaties, VAT and more.

Each of our packages comes with the following features:

- Commentary and guidance written by leading experts
- CPD Tracker – earn CPD by reading resources on the platform
- Top quick links to guide you to your required information faster
- Create your own bookmarks and personal content views
- Create your own folders and annotations and share them with your team
- Range of special Finders for source materials
- Calls to our Tax & VAT advice line
